

## OVERNIGHT PRE PAY

The Pre-pay Overnight Guest Module allows parkers to prepay for up to five days at the pay on foot kiosk. The parker uses the printed barcoded overnight pass to enter and exit the facility during their stay. If the parker attempts to exit after the pass has expired they are charged for the excess duration at the standard transient rate. If the parker attempts to enter after the pass has expired the kiosk displays a message indicating that the pass has expired.

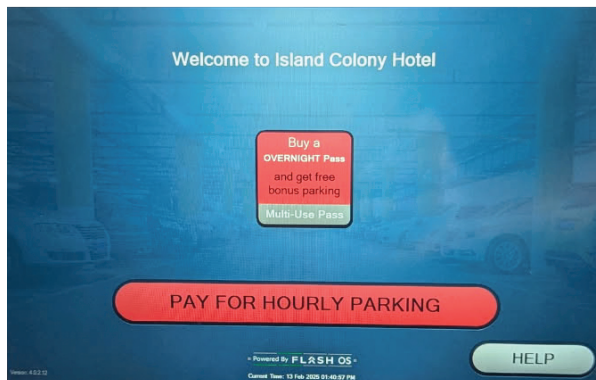

### Parker Instructions:

Parkers use the steps below to prepay for a parking pass.

Pull the ticket and enter the facility

Purchase a pass at the pay on foot kiosk located in the Parking lot 1st floor.

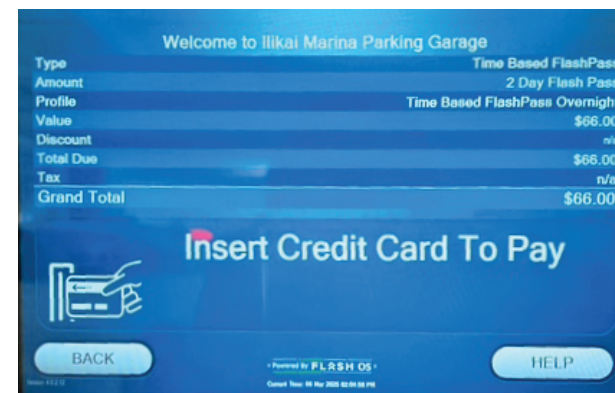

Tap purchase a ticket

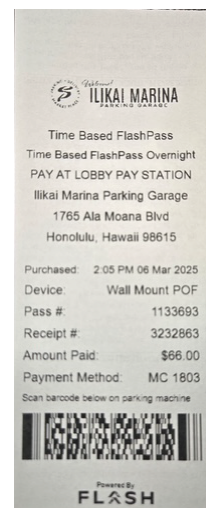

Select the number of days you would like to purchase

Process payment

Take the Overnight Pass. Ticket.

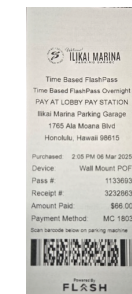

Upon the first exit use the barcoded entrance ticket in combination with the overnight pass.

First scan the entry ticket

Second scan the overnight pass

4. Use the barcoded overnight pass for subsequent entries and exits.  
**DO NOT PULL A NEW TICKET UPON RETURNING TO THE HOTEL**

Note: The 24 hour overnight pass begins upon entering the parking facility not when the parking pass was purchased.

For example: If you enter the parking lot at 2:00pm this is your start time. A 1 day overnight pass is good for 24 hours and it will expire at 2pm the following day.
